Barriers to future attainment	
<input type="checkbox"/> Students have extremely high aspirational goals and visions for the future, but are not fully able to understand how or what they need to do in order to achieve those goals	Ensure all PP students receive careers guidance which assists with future aspirations
<input type="checkbox"/> Some students struggle to time manage and to learn effectively and independently at home	Provide opportunities for students to extend learning during out of school hours. Teaching students methods to support independent learning
<input type="checkbox"/> Some parents of PP students are hard to reach and building strong relationships with these families can be more complex sometimes due to different languages being spoken at home	Increased number of parents attending parents evenings and interpreters available
<input type="checkbox"/> PP students are unable to participate in extra-curricular activities to enhance confidence and cultural capital due to low incomes	Ensure all PP students participate in 50% of trips and the cost will be subsidised to enable participation
<input type="checkbox"/> High proportion of PP students are from extremely deprived backgrounds. They have not had regular health checks, have poor eating and sleeping habits and lack the energy and motivation they need in class	Issues regarding social, emotional, health and wellbeing are removed to allow all students to achieve successfully without barriers. Eg: offering a free breakfast for all students

PUPIL PREMIUM GRANT REPORT 2018 – 2019

Objectives of spending PPG:

- We ensure that teaching and learning opportunities meet the needs of all of the students
- We ensure that appropriate provision is made for students who belong to vulnerable groups, this includes ensuring that the needs of socially disadvantaged students are adequately assessed and addressed.
- In making provision for socially disadvantaged students, we recognise that not all students who receive free school meals will be socially disadvantaged. We also recognise that not all students who are socially disadvantaged are registered or qualify for free school meals. We reserve the right to allocate the Pupil Premium funding to support any student, or groups of students, the school has legitimately identified as being socially disadvantaged. The greater proportion of any group, supported through Pupil Premium funding, will be made up of FSM children
- Pupil Premium funding will be allocated following a needs analysis which will identify priority classes, groups or individuals
