Assalamu 'Alaikum Wr Wbr (May His Peace, Mercy and Blessings be Upon You)

Dear Parent(s)/Carer(s),

Year 9 | Parent / Carer Evening | SchoolCloud | Online
Thursday 3rd March 2022 | 3.20pm – 6.20pm

I am pleased to invite you to our **Year 9 Parent / Carer Evening** on **Thursday 3rd March 2022 from 3.20pm**. This will be an online only event via SchoolCloud.

Parent / Carer evening will provide you with an opportunity to discuss your child's academic achievement, development and progress with your child's subject teachers. You will find this Parent / Carer Evening particularly useful as it may help to inform your child's Options choices in the forthcoming KS4 GCSE Options process.

As you are no doubt aware, parental engagement is crucial to support student progress and thus it is very important that you attend and extend the on-going dialogue with staff, and receive the latest feedback for your child.

Parent(s) / Carer(s) have highlighted to us the advantages of continuing Parent / Carer evening online via SchoolCloud namely:

- Childcare particularly where they may have younger children
- Child pickup from other schools
- Madressah
- Work and the difficulty in taking time off
- Feeling safe due to ongoing Covid-19 situation
- Parking Issues in the early evening
- Darker Winter evenings

If you require any support with translation, please indicate by contacting Student Services with your Child's name and your home language.

Subject Information Videos / Learner Profiles / Queries

For most subjects it is possible for parent(s)/carer(s) to book appointments directly with their child's subject teacher. However, to accommodate all subjects, this year we have introduced Subject related feedback via specific subject information videos for those subjects where appointments are on a 'first come first served basis'.

Subject information videos will provide you with the opportunity to review what your child has been doing so far this year, and what their next steps in learning are. There will also be an additional information video related to Learner Profiles and how your child is assessed.

These are all available on our website from Tuesday 2nd March 2022 via the following links:
