Dear Parent/ Carer,

Open Evening Thursday 12th October 2023 | 4pm-6pm

This week on Thursday 12th October, Madani Schools will have our annual Open Evening.

The information shared during Open Evening is intended to provide prospective students the opportunity to see the curriculum on offer at both Madani Boys and Madani Girls Schools, should they choose to join us next year. Although the school is actively inviting parents of year 5 & 6 students, if you would like to join us to gain a general understanding of your child's academic and pastoral experience during this school year, then you are more than welcome to attend.

In order for staff to prepare for Open Evening, **Madani Schools Federation will close to students at 12.40pm** and there will be a phased dismissal from 12:30pm. Lunch will not be served and therefore both schools will follow the timetable for periods 1-4 on Thursday.

Students in receipt of Free School Meals will be provided with a packed lunch to take home. Please note that students will need to pray their Zuhr salaah at home.

There are some students who will be supporting the event, and they will have received a separate letter confirming these arrangements.

Teachers will set tasks for all students to complete as they will miss period 5; for Key Stage 3 students, teachers will set tasks using the Knowledge Organisers, which can be found on the school websites for each school under the section 'For Students'. Key Stage 4 students will also be set appropriate tasks for any subject they miss during period 5. In line with school messages to students this week, students should take period 5 as learning time at home and should not be present in public places during school hours unless there is reasonable justification for this.
